

Session 10: Worship Lifestyle

WORSHIP SONG:

When I look into Your holiness
When I gaze into Your loveliness
When all things that surround become shadows
In the light of You

When I've found the joy of reaching Your heart
When my will becomes enthroned in Your love
When all things that surround become shadows
In the light of You

Chorus:

I worship You

I worship You

The reason I live is to
worship You

WORSHIP

- “Worship is the submission of all of our **NATURE TO GOD**. *It is the quickening of conscience by His Holiness, nourishment of MIND by His Truth, purifying of imagination by His beauty, opening of your heart to His love and surrender of the will to His purpose.* All these gathered up in adoration is the greatest expression to which we are created for”
- True worship is when a person, through their person, attains intimacy and friendship with God.

– Bishop William Temple

- Worship must always begin with a revelation of who God is
- Worship, rather, is our reaction to a revelation of who God is or what He has done

Worship is Recognizing God's Superiority

- Worship is tied up with a revelation of who God is
- The Threefold Procedure being more fully laid out as
 1. Revelation from God of who God is or of **WHAT HE'S DONE**
 2. Recognition from man of that which has been **revealed to Him by God**
 3. **Reaction** of man in falling down before Him/an acknowledgment of His Sovereignty
- How a man knows God is how a man will worship God

OBEDIENCE is a part of Worship

- Luke 6:46 *'Why do you call Me "Lord, Lord" and not do what I tell you?'*
- It's important that there be real obedience to the greater One who's being acknowledged

The Importance of Receiving **FRESH REVELATION**

The HOLY SPIRIT brings fresh revelation of JESUS

1 Corinthians 12:3

'...no one can say "Jesus is Lord" except by the Holy Spirit'
